Effects of the Agricultural Risk Protection Act (ARPA) of 2000, Public Law 106-224, on Termination of the Agreements of Day Care Home Providers in the Child and Adult Care Food Program

To:

STATE AGENCY DIRECTORS
(Child Nutrition Programs)

Dakota, Utah and Wyoming ED

Attached is a memorandum which was sent directly to State Agencies from our National Office. Our purpose in resending the memorandum under a CACFP number is to have a reference point if any questions should arise.

The memorandum outlines guidance on the implementation of ARPA as it relates to the termination of family day care providers' Program participation. The guidance deals with (1) the procedures leading up to the issuance of a "notice of intent to terminate" by the sponsor, and (2) questions relating to the provider's opportunity to seek an administrative review of the sponsor's notice of intent to terminate. This is an amendment to our memorandum CACFP-632 (Memorandum on New Termination Procedures), which we issued October 24, 2000.

If you have any questions, contact our staff at (303) 844-0359.
